

1023-0001 F1-5C TYPE INDEX

This dividing device is suitable for milling, grinding and drilling machines. It is simple in construction, easy in operation, and reliable. It not only can divide 2, 3, 4, 6, 9, 12, 18, 36 divisions, but also utilize the dividing plate and vernier hole on the body, the divisions from 1° to 360° which min. space 1° can be made

Main specifications

Specifications	Items	1023-0001 (F1-5C)
Center height mm		70
Min.ID of spindle mm		φ 31.75-
Divisions		2、 3、 4、 6、 9、 12、 18、 36
Min.dividing angle		1°
Min.graduated value		5°
Collet		5C
Individual spacing error		±4'
Net weight Kg		7
Gross weight Kg		8
Case dimensions mm		284*184*193
